

BWS Members, Get Ready!!!

You are in for a treat. I have some exciting demos scheduled for this year's show.

The Paint-A-Round is a fun and popular event we do each year. It involves 5 artists starting a painting, after 15 minutes, they pass it to the next person who paints for 15 minutes. This continues until it has come back to its owner, many times in a completely different form than what they had envisioned. These painting will be signed by each artist and will be put up for a silent auction that will close on Sunday afternoon.

Fix-It Disasters - we need you to go through those painting that just didn't work. We all have them hidden under the bed and in the bottom of drawers. Bring them in on Friday or Saturday or drop them by Therese Ferguson's studio. These will be donated to BWS! Our panel will choose paintings and completely transform them. These painting will be placed for sale when finished. Yes, you may purchase your painting back.

The rest of the weekend will include demos including paintings and techniques. Demo spaces are quickly filling up. The empty spaces are awaiting confirmation from artists. Thank you everyone for agreeing to participate! Be sure to watch for a final schedule just before the show.

- Therese Ferguson
