The BWS Board welcomes you to the Brevard Watercolor Society! We are delighted to have you join our organization and hope you will take advantage of everything we offer. We guarantee you will have lots of fun and make many friends along the way. We know you will love all the activities, art shows and our education programs.

Brevard Watercolor Society was established in 1995. It is a non-profit 501(c)(3) organization, sponsored in part by the Brevard Board of County Commissioners, through the Brevard Cultural Alliance, Inc. It has a current membership of over 150 members. BWS (or The Society), its members and volunteers, are dedicated to promoting the beauty of watercolor painting and enriching the quality of life in our community through workshops, education, and exhibitions.

Membership offers opportunities for learning through demonstrations, free mini-workshops, and workshops taught by nationally known artists. Being part of our annual "Splash" show, attending weekly plein air outings, the workshops and other art events create camaraderie and friendships with other artists and help us become better artists. Check the Events page (see link above) for all the upcoming events!

We wouldn't be anything without our volunteers to make all these things happen. Volunteering is the best way to enhance the value of your membership and get to know other members and support the sharing of all talent and creativity our group has to offer. If you are interested in volunteering, please reach out to the BWS President at [BWSPresident@outlook.com](mailto:BWSPresident@outlook.com).

We all look forward to meeting you at our next meeting. Be sure to introduce yourself so we can put a face to your name!

Welcome aboard!

Teri Mahnken, President  
Gina Olsen, 1<sup>st</sup> Vice President/Workshops  
Donna Ware, 2<sup>nd</sup> Vice President/Membership  
Linda South, Treasurer  
Sheila Harnois, Secretary
